Rules & Information

- No motorized vehicles of any sort (including e-bikes) on ANY open space in the Town of Barnstable.
- No camping and no fires.
- Note: some beaches and ways to water are open to Town residents only. Please check the <u>Town</u> of Barnstable website for more information.

Tick & Poison Ivy Safety Always prepare for ticks and poison ivy.

Ticks can be active any time of year, even winter. Tuck your pants into your socks, and your shirt into your pants. Wear light colors to spot ticks more easily. Wearing insect repellant or treating your clothes with permethrin adds another layer of protection.

Poison ivy is most noticeable from spring through fall, but the oils can transfer from a broken leaf or branch any time of year.

Washing your hands after lacing up or removing your hiking boots can help protect you from transferring the oils to skin and causing a rash.

Trail Etiquette

When hiking on any trail, it's best to follow the Leave No Trace principles.

These principles include that you pack out what you bring in (including any trash or pet waste), stay on the trail, and leave natural features as you find them (rocks, plants, wildlife, etc.). If you find something extra special that you want to remember or share, take a picture or a video and leave it for others to discover and appreciate. Learn more at LNT.org. WAKEBY RD

Hunting Rules

It's important to be aware of hunting year-round.

To stay safe and visible to hunters, be sure to wear bright colors. Hunting is allowed on certain conservation parcels as long as state and federal laws are followed.

Check the <u>Town of Barnstable</u> website to know where hunting is allowed and when the hunting season is open.

Hunting is prohibited on all Barnstable Land Trust hiking trails included in this map.

Wildlife Sanctuaries

Trails marked with a wildlife sanctuary symbol convey that this area is protected specifically to support sensitive wildlife and wildlife habitat.

While we value community access to wild and beautiful places, dogs are not allowed on trails within wildlife sanctuaries.

Perceived as predators, dogs can cause alarm and stress to wildlife, resulting in reduced wildlife activity during the day or

Additionally, when left on trails, dog waste harms the environment by degrading the water that both animals and humans drink, and can potentially spread disease to vulnerable

Dog Walking Rules

It is the responsibility of the dog owner or keeper -throughout the Town of Barnstable-to pick up and dispose of all dog waste in a sanitary manner.

2

All dogs must be leashed at all times in

the Town of Barnstable. Dogs are permitted at certain Town of Barnstable conservation properties, but must be leashed at all times out of respect for other visitors and sensitive wildlife and wildlife habitat.

wildlife.

Trail Safety

It's always best to research and plan your hike.

- Know where you'll be hiking, and if possible what terrain you will encounter, how long the trail is, how difficult it is, and where to park.
- Know when the sun will set and time your hike so you aren't caught out after dark.
- Always give yourself more time than you think you'll need
- Know what weather to expect during your hike.
- Always bring water, no matter how short you think your hike may be.
- Always tell a friend or family member where you are hiking and when to expect your return.

Cape Cod Pathways ♥

21 miles

Cape Cod Pathways extends across the Town of Barnstable from east to west, and continues on through much of the Cape. The main walking trail in Barnstable traverses a mosaic of lands and covers over 11 miles, with 10 more miles of trail spurs and loops. Cape Cod Pathways bridges many diverse habitats such as woodlands, wetlands, and more.

Look for the Pathways symbol next to trail descriptions to see which properties it runs through, and trace the trail shown through the center of the map (reverse). Trailheads are marked with kiosks.

This barrier beach has trails through dune systems, vernal pools, maritime forests, and marshes. This spot is great for viewing rare wildlife species, hiking, and swimming. Hunting is frequent here during the season. In addition to the 7.5 mile loop, there are several options for shorter loop trails that link both the bay and the marsh.

The Marsh Trail extends the length of Sandy Neck, including a trail specifically for horseback riding and several trails along the way that connect across Sandy Neck back to the beach. *Summer Season:* Beach sticker/paid parking, no dogs.

Parking: End of Sandy Neck Rd by gatehouse. Park in small lot before the gate, spaces vary depending on season.

P West Barnstable Conservation Area **P** West Barnstable • 1,114 Acres • 20 miles 0

Over 20 miles of trails meander through the largest town conservation area on Cape Cod, comprised of pine-oak forests dotted with beech and American Holly trees. This unique forest structure offers opportunities for wildlife sightings, hiking, biking, and hunting.

Parking: There are several parking areas. Parking lot under the power lines on Service Rd (500 feet from the roundabout on Rte 149), ~15 spots; Popplebottom Rd off Rte 149, ~2-3 spots; corner of Drumble Ln and Race Ln, ~10-12 spots; end of Crooked Cartway, ~6 spots.

Danforth Recreation Area offers trails through woodland, meadows, and grasslands. A short trail from the parking lot leads to Mystic Lake. Crossing the street through an old cow tunnel offers 6 more miles of trails and connection to the West Barnstable Conservation Area.

Parking: 970 Race Ln, ~15 parking spots.

This pine-oak forest is a popular spot for mountain biking, horseback riding, dog walking, and picnicking. A spur trail at the northern end of the parcel connects to West Barnstable Conservation Area trails.

Parking: West side of Osterville-West Barnstable Rd 0.1mi south of Rte 149 fork.

👩 Meetinghouse Farm 🕅 West Barnstable • 23 Acres • 0.38 miles R

Two short woodland trails are marked on a kiosk at the back of the circular parking area. One trail winds through beautiful rhododendron forest. The second trail follows the woods around to the community gardens. Beautiful specimen trees are marked on this former nursery. For more information, visit meetinghousefarm.org.

Parking: 2135 Meeting House Way, ~ 8+ spots.

Fuller Farm, Marston Mills

🔥 Bridge Creek Sanctuary 🝸 Conservation Area 🖓 West Barnstable • 246 Acres • 2.5 miles

17 A Diverse wetland habitats—abandoned cranberry bogs, tidal and freshwater streams, open marsh, and hardwood swamp-make Bridge Creek a diverse spot. The 2.5 miles of trails are open to hiking, mountain biking, and horseback riding. If accessing via Jenkins Wildlife Sanctuary, please leave dogs at home when hiking at this trail.

Trails can be accessed via Jenkins Wildlife Sanctuary trails which start at 359 Church St.

Parking: 3 spaces behind West Barnstable Fire Station at 2160 Meetinghouse Way or via parking at Church St.

Shaws Lane Trail West Barnstable • 6 Acres • .5 mile

R

This parcel contains a section of the Cape Cod Pathways trails that lead up to and around the edge of active cranberry bogs (private property) to connect to Pathways on Pine St. This parcel is situated in a pine-oak woodland.

Parking: Small town-owned parking lot across the street from 359 Church St, ~6 parking spots.

What natural treasures will you find on your hike?

Jenkins Wildlife Sanctuary 9 West Barnstable • 6.6 Acres • 2 miles BHE

This wooded wildlife sanctuary offers short trails throughout pine-oak forest. The Sanctuary's 2 miles of trails connect to Bridge Street Conservation Area and can allow avid hikers to extend their walk up to 6 miles. Please leave dogs at home when hiking

Parking: Small town-owned parking lot across the street from 359 Church St, ~6 parking spots.

Pogorelc Sanctuary West Barnstable • 9.9 Acres • 0.4 mile

at this trail.

BHE

Located behind the Barnstable Land Trust Conservation Center, the short trail offers views of the Great Marsh and over Popolo Pond, making it an excellent spot for walking and birdwatching. This trail winds around Popolo Pond through marshy woodlands, with boardwalks through the wettest areas. Please leave dogs at home when hiking at this trail.

Parking: 1540 Main St, 10 spaces available behind Barnstable Land Trust Conservation Center (unless programming or an event is underway).

n Barnstable Great Marsh ▼ Wildlife Sanctuary ♀ West Barnstable • 114 Acres • 1.5 miles

Lovely trails wind through salt marshes and oak woodlands that overlook Barnstable Harbor and Sandy Neck Barrier Beach. Offers great views for wildlife, specifically ground-nesting and shore birds. Please leave dogs at home when hiking at this trail. For more information, visit massaudubon.org.

Parking: Small parking area on left side of driveway, south of 2444 Main St (Rte 6A), 2-3 parking spots.

Barnstable Great Marsh Wildlife Sanctuary, West Barnstable.

Barnstable State Forest 🕅

R This trail leads through oak-pine woodlands in West Barnstable, a key connector for Cape Cod Pathways. Wide trails make for great hiking and biking through these beautiful woods. The trailhead can be found beyond the southeast corner of the YMCA basketball court, marked with red blazes. Keep an eye out for red pine on your hike.

Parking: YMCA Cape Cod, 2245 Iyannough Rd, 5-10 parking spots in the YMCA parking.

This section of Cape Cod Pathways is a popular spot for mountain biking, trail running, and dog walking. These trails loop back to the CCCC campus, and a trail at the northeast end of the parcel connects to Old Jail Land Conservation Area.

Parking: Cape Cod Community College, 2240 Iyannough Rd, Parking Lots #3 & #7.

Seabury Farm ♥ West Barnstable • 8.4 Acres • 0.5 miles R

A 0.5-mile trail crosses hilly meadows and connects to Old Jail Lane Conservation Area trail system and Cape Cod Pathways trails.

Parking: 2509 Main St, 1-2 parking spots.

R R

n Old Jail Lane Conservation Area 🕅 Barnstable • 180 Acres • 10 miles

Pine, oak, and holly trees comprise the upland forests at Old Jail Lane Conservation Area. Some steep trails throughout this trail network make it an interesting spot for hikers, mountain bikers, and horseback riders. There are several routes for trails, each 1-2 miles. There is a 1-mile loop across the street as well.

Parking: Parking area on west side of Old Jail Ln, across from 354 Old Jail Ln, 8 parking spots.

Trayser Trail ♀ Barnstable • 36 Acres • 0.7 miles A So

Located behind the Trayser US Group Coast Guard Heritage Museum, this Cape Cod Pathways segment begins as a grassy-pathed shrub and tree environment and crosses over a railroad, transitioning into a pine oak woodland.

Parking: Trayser Museum parking lot at 3365 Main St, ~5-10 spots.

Long Pasture Wildlife Sanctuary ♀ Cummaguid • 101 Acres • 2.5 miles

J-K Looking over Sandy Neck, Long Pasture offers views of the water through meadows and woodlands. The Nature Center on site offers views of rare local species. Admission is free for MassAudubon members, \$4 for adults, \$3 for children and seniors. Please leave dogs at home when hiking at this trail. For more information, visit massaudubon.org.

Parking: 345 Bone Hill Rd, ~ 12 spots.

Long Pond Conservation Area ♀ T Marstons Mills • 37.5 Acres • 2 miles R

This site has community gardens for Barnstable Town residents, 2 miles of hiking trails through meadows and woodlands, and fishing at Long Pond. There is an interpretive trail that highlights the ecology and geology of the area, along with two observation decks that overlook Long Pond. Parking: Parking lot is across the street from

466 Newtown Rd, 12 spots.

🚹 Fuller Farm Marstons Mills • 22.4 Acres • 1 mile

This trail is a combination of a short woodland loop overlooking cranberry bogs and an open meadow trail following the field edge of a former dairy farm. Look for a permaculture garden, other agriculture, and grazing animals.

Parking: Parking area is north of Alpine Way, ~12 spots.

Whelan Conservation Area ♀ West Barnstable • 13 Acres • 2 miles

2 miles of trail through sandplain grassland offers

opportunities for wildlife viewing and hiking. As the trail is fairly flat, it lends itself to cross-country skiing during the winter months.

Parking: 1350 Old Stage Rd ~15 parking spots.

Hathaways Pond Y Conservation Area ♀ Hyannis • 10 Acres • 2 miles

Hathaways Pond offers opportunities for hiking, swimming, boating, and fishing. Barnstable Land Trust owns the parcel on the southern edge of Hathaways Pond South, which can be accessed by trails leading from the Town of Barnstable's beach parking lot. Hathaway Pond Loop Trail is 1.4 miles, the off-shoot to Hathaway Pond South is an additional 0.5 miles.

Parking: Located at Hathaways Pond Boat Ramp; follow signs on Phinney's Ln, just north of intersection on Rte 132. Requires town beach sticker. Ample parking (20+ spots).

A Hyannis Ponds Wildlife T Management Area

Hyannis • 365 Acres • 3 miles

Hyannis Ponds WMA features pitch pine forest with an understory dominated by huckleberry and lowbush blueberry. The coastal plain pond habitats offer views of rare and uncommon flora and fauna. With about 3 miles of gated management roads throughout the property, it is a popular spot for hunting and hiking.

Parking: East side of Mary Dunn Rd, 300 ft south of Independence Dr, 2 spots.

22 Lumbert Mill Conservation Area Centerville • 61 Acres • 1 mile R

About a mile of hiking trails trek through pine-oak forest, marshland, and past Lumbert and Flowing Ponds. As a relatively new trail system, it is a great spot to see wildlife.

Parking: 446 Lumbert Mill Road, ~12 spots.

Andrews Property & T Coombs Boas

Centerville • 19 Acres • 1.1 mile R

A lovely trail system weaves its way through the Town-owned Andrews property, consisting of open meadow and forest. This trail leads to Barnstable Land Trust-owned **Coombs Bog**, a series of three former cranberry bogs, all in different stages of succession, providing diverse habitat and wildlife viewing.

Parking: 521 Old Stage Rd, 3 parking spots.

Bell Farm, Cotuit.

Santuit Pond Preserve 9 Marstons Mills/Mashpee 287 Acres • 3 miles

Pine-oak forests, beech-holly forests, maple-swamps, meadows, a herring run, and vernal pools are home to rare and protected wildlife on this 287-acre preserve. Walking trails provide a tour of these habitats and protected species. Popular spot for hunting.

Parking: West side of Santuit-Newtown Rd, across from 1254 Santuit-Newtown Rd (Marstons Mills), ~6 spots; 117 Main St (Rte 130, Mashpee), ~8-10 spots.

25 Santuit River Trail ♥ Cotuit • 25 Acres • 0.6 miles R

This network of trails winds through a pitch pine and oak woodland and traverses Santuit River. Several benches along the trails overlook the woodland, river, and surrounding marsh.

Parking: On School St just west of Santuit Rd on the righthand side, ~2-3 spots.

1.5 miles of hiking trails cross through coastal banks, pine groves, and wetlands. An observation deck looks over Popponesset Bay. It is a popular spot for hiking, wildlife viewing, and swimming.

Parking: Across from 765 Santuit Rd, ~6 spots and across from 92 Cotuit Cove Rd, ~5 spots.

No parking

neighborhoods.

👧 Lowell Park Woodlands 🕅

Classic pine-oak woodlands surrounding the Kettleers ball field. Lowell Park is at the southern end of an 800-acre open space corridor. A newly created trail circles the ballfield and connects to previously established trails from Lowell Ave, Putnam Ave, Mosswood Cemetery and nearby

Parking: 10 Lowell Ave, ample parking (20+ spots) except for Cotuit Kettleers' home-game days.

Eagle Pond & T Little River Sanctuary 🖓

Cotuit • 182.5 Acres • 4 miles

Eagle Pond and Little River Sanctuary consist of varying habitats of white cedar swamps, meadows, mature pinewood forests, and a kettle pond. Dog walking, hiking, fishing, and kayaking are all popular activities at the Sanctuary. The main Eagle Pond Loop Trail (accessed from Putnam Ave) is 1.5 miles long with several spur trails of varying lengths.

Bell Farm is the section of this property below Little River Road, accessible from said road or from Old Post Road. Bell Farm includes Little River Loop (1.0 mi), which can be continued from Eagle Pond Loop.

Gile State State north and a south spur on the swamp, offering beautiful views of moss-covered ground and cedar and pitch pine forest. The woodlands surrounding the cedar swamp have both huckleberry and low-bush blueberry.

Parking: ~7 spots at main lot (across from 820 Putnam Ave), 3 spots at Old Post Rd (next to 426 Old Post Rd) and 2 spots at Cordwood Rd north of Cordwood Landing.

👧 Skunknett River ♥ Wildlife Sanctuary ♥ Osterville • 147 Acres • 1 mile

This mile of trails offers views of an Atlantic White Cedar swamp. The site is also home to abandoned cranberry bogs. These wetlands offer great viewing of birds and waterfowl, as well as amphibians in the spring. Please leave dogs at

home when hiking at this trail. For more information, visit massaudubon.org.

Parking: 544 Bumps River Rd, ~3 parking spots.

Armstrong-Kelley Park Osterville • 8.5 Acres • 0.6 miles R

This historic arboretum offers views of local and rare tree and plant species, and provides opportunities for walking, picnicking, and educational activities throughout the year. **Parking:** 675 Main St, ~10 spots.

A short walk along Little Parkers Pond, Bansfield Meadow offers views of meadow habitat and wildlife, and supports water quality to the greater East Bay ecosystem. Nestled in a residential area, it's a wonderful spot for neighborhood walkers. Located at 100 East Bay Road. *Please leave dogs* at home when hiking this trail.

No Parking
