Be Inspired. Be Engaged. Be a Force for Nature.

Become a Member Today!

As someone deeply connected to the beauty and natural resources of Barnstable, you're already part of a community that values open spaces, fresh air, clean water and a vibrant community. Many of your favorite green spaces in town – Eagle Pond, Fuller Farm, Pogorelc Sanctuary, Lowell Park Woodlands – will be there for all future generations to enjoy because of the commitment of people like you.

At Barnstable Land Trust (BLT), we are driven by a responsibility to preserve and protect our natural landscapes forever. **We invite you to become a part of this mission by joining us as a member today.**

In the face of escalating climate change challenges and the rapid pace of development, the mission of BLT is both urgent and clear: to protect and conserve the land that is the foundation of our community's well-being and environmental health. Now, more than ever, our actions today will leave a legacy for future generations.

As a member of Barnstable Land Trust, you will help:

- **Save More Land Faster:** We will accelerate efforts to save more land, ensuring that every acre we protect is a step towards a more resilient and sustainable future.
- **Enhance Our Lands:** BLT's growing portfolio of conservation lands requires attentive stewardship to maintain ecological integrity, elevate conservation value and enhance accessibility.
- **Advance Climate Resilience:** We will leverage our collective strength to bolster our community and ecosystems against the impacts of climate change, making our natural spaces part of the solution.
- **Engage People on and with the Land:** We are not just protecting land, we are opening doors, sparking conversations, and bringing people closer to nature through new programming and educational opportunities.

As we reflect on our shared achievements, including the 70 acres protected last year, we are inspired by the power of collective action. Community support is instrumental in these successes, fueling our ability to grow, innovate, and lead. The challenges ahead require us to be more agile and determined than ever before.

When you join BLT, you become part of a community of people like you who care about maintaining the natural resources in Barnstable. BLT Members are invited to special events, including the organization's Annual Meeting, and receive exclusive discounts on programs and educational opportunities. As a welcome gift, you'll receive a Barnstable Trail Guide to help you explore and appreciate the beauty of our preserved lands.

Supporting conservation efforts is a step toward a more sustainable and resilient future. Together, we are a force for nature to protect the landscapes we love and ensure they remain a source of joy, inspiration, and sustenance forever.

We are at a critical juncture for our environment, and your support has never been more crucial.

Together, we will secure a legacy of conservation and stewardship to ensure that our grandchildren and theirs will enjoy the Cape we love so much.

With hope and gratitude,

Janet Milkman
Executive Director

P.S. Your membership will directly contribute to conservation efforts, educational programs, and community initiatives. Please consider joining us today!
